<b>Grand Total</b>		<b>19.960.000</b>

# LOOKING FOR CALLS & INFO SESSIONS

## FIND OPEN CALLS ON THE HADEA WEBSITE

<https://hadea.ec.europa.eu>

The screenshot shows the top navigation bar of the HaDEA website. It includes the European Commission logo, a language selector set to 'English', and a search bar. Below the navigation bar, the main heading reads 'European Health and Digital Executive Agency (HaDEA)'. A secondary navigation menu contains links for 'Home', 'About', 'Calls for proposals', 'Calls for tenders', 'Events', 'News', and 'Programmes'. A breadcrumb trail indicates the current location: 'European Commission > HADEA > European Health and Digital Executive Agency'. The main content area features a white box with the agency's name and a brief description: 'Boosting Europe by building, from earth to space, a healthy society, a digital economy and a competitive industry'. Below this, a section titled 'Opportunities' displays three icons representing different types of opportunities: a pencil and paper, a magnifying glass over a document, and a person with a gear.

## ACCESS HaDEA CALL SPECIFIC INFO SESSIONS

### Example

The image shows a promotional graphic for an 'INFO SESSION'. It features a blue background with a close-up of a medical syringe. The text reads: 'INFO SESSION', 'Call for proposals: Implementing results of research on vaccination against COVID-19', and '17 January 2023'. At the bottom, it includes the hashtags '#HaDEA #EU4Health #HealthUnion', the European Commission logo, and the copyright notice '© European Union, 2022'.

# Where to find AWP and reference documents?

The screenshot displays the EC Funding and Tenders Portal interface. At the top, the European Commission logo and the text 'Funding & tender opportunities' are visible. A navigation bar includes 'SEARCH FUNDING & TENDERS', 'HOW TO PARTICIPATE' (circled in red), 'PROJECTS & RESULTS', 'WORK AS AN EXPERT', and 'SUPPORT'. Below this, a yellow banner reads 'EC Funding and Tenders Portal:' followed by the URL <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/home>.

On the left, a 'Programming period' dropdown is set to '2021-2027'. Below it, the 'EU4Health Programme (EU4H)' is selected and highlighted in blue. A 'Clear filter' button is located below the selection. A red arrow points to the 'Programming period' dropdown, and another red arrow points to the 'EU4Health Programme (EU4H)' selection.

The main content area is titled 'Reference Documents' and is divided into 'Grants' and 'Procurement' sections. The 'Grants' section includes a search bar and a list of categories: Legislation, Work programme & call documents, Grant agreements and contracts, Guidance, Templates & forms, and Funding & Tenders Portal. The 'Procurement' section notes that reference documents are published on TED eTendering. A red arrow points from the 'Work programme & call documents' category in the left sidebar to a detailed view of this category on the right. This detailed view is enclosed in a red box and lists: Legislation, Work programme & call documents (with a minus sign), 2021, 2022, 2023 (circled in red), Grant agreements and contracts, Guidance, and Templates & forms.

- Overview budget (section 3, verify against detailed budget)

**save, validate and correct errors**

## Part B – Technical narrative

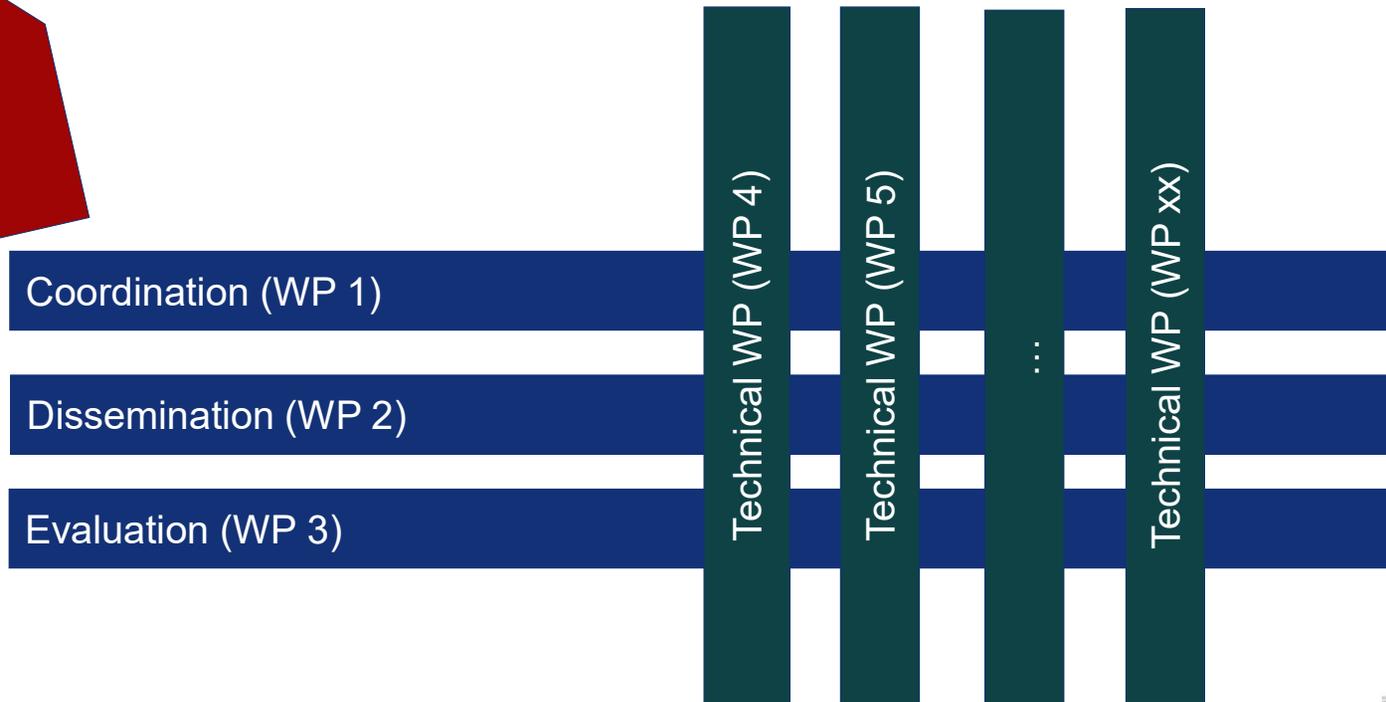

- Problem analysis, General and specific objectives, linked indicators (Process, Output, Outcome/Impact)
- Target Groups, Political relevance, Methods and means, Expected outcome Work Packages (3 mandatory), Deliverables (mainly public scope), Risk analysis, Timeline
- Budget: Staff efforts by work package, contributions by third parties, Detailed budget table
- Verify correct upload

**validate and correct errors, submit**

# Structure of the proposal workplan

Take into account  
deliverables  
and indicators  
(call document)

# Co-funding and exceptional utility

EU Co-funding: max 60 % of eligible costs. It can be increased to max 80% for actions with a clear EU added value which satisfy the following exceptional utility criteria, inter alia, when

**(a) at least 30 % of the budget of the proposed action is allocated to Member States whose GNI per inhabitant is less than 90 % of the Union average;**

**Or**

**(b) bodies from at least 14 participating Member States participate in the action, of which at least four are Member States whose GNI per inhabitant is less than 90 % of the Union average.**

**Gross national income (GNI) per capita  
to be used as reference for the determination of the exceptional utility  
under the 2023 EU4Health work programme**

Countries	GNI (Million euro)	Population (Thousand people)	GNI per capita (euro)	threshold 90% Union average
European Union - 27 countries	14,518,973	447,876	32,417	<b>29,176</b>

Call for proposals

Proposal submissions

Evaluation & selection

Signature of grant agreements

Project monitoring

Dissemination of final results

\* for open calls; services requested under existing framework contracts  
\*\* for open calls only

## Award Criteria 1/2

- **Relevance:** clarity and consistency of project, objectives and planning; extent to which they match the themes and priorities and objectives of the call; contribution to the EU strategic and legislative context; European/trans-national dimension; impact/interest for a number of countries (EU or eligible non-EU countries); possibility to use the results in other countries; potential to develop mutual trust/cross-border cooperation (30 points)
- **Quality:**
- **Project design and implementation:** technical quality; logical links between the identified problems, needs and solutions proposed (logical frame concept); methodology for implementing the project (concept and methodology, management, procedures, timetable, risks and risk management, monitoring and evaluation); feasibility of the project within the proposed time frame; cost effectiveness (sufficient/appropriate budget for proper implementation; best value for money) (30 points)
- **Project team and cooperation arrangements:** quality of the consortium and project teams; appropriate procedures and problem-solving mechanisms for cooperating within the project teams and consortium (30 points)

## Award Criteria 2/2

- **Impact:** ambition and expected long-term impact of results on target groups/general public; appropriate dissemination strategy for ensuring sustainability and long-term impact: sustainability of results after EU funding ends (10 points).

Award criteria	Minimum pass score	Maximum score
1 Relevance	21	30
2.1 Quality — Project design and implementation	21	30
2.2 Quality — Project team and cooperation arrangements	21	30
3 Impact	7	10
Overall (pass) scores	70	100
